

## Columbia County Fair Association

www.columbiacofair.com

Portage, Wisconsin

July 24-28, 2019

March 2019

Dear Business Leaders:

For 168 years, the Columbia County Fair is the county's premier event lasting over five days with thousands of entries and attracting large crowds of people from all over our state. Fine craftsmanship, quality livestock and great food and entertainment have been a part of the fair for years. Both area businesses and residents display the craftsmanship and their products and services respectively.

The Columbia County Fair Board is the association responsible for the organization of the fair and is comprised of volunteers whose primary goal is to provide our area with a high-quality fair. These members have diverse backgrounds and bring a wide variety of talents to the association.

The fair board strives to bring top quality entertainment to the area and works diligently towards that goal while maintaining a history of free admission to the fair. The fair desires a way of continuing to improve grandstand shows by offering partnership opportunities through our **Business Involvement Program (BIP)**.

Through this program the fair hopes to reduce the high overhead involved with securing quality entertainment and educational programs. By supporting the Columbia County Fair your company will receive recognition in promotions and at the sponsored event(s). Such recognition might include your name on the radio, in print, posters, programs, the website, etc. You will also receive complimentary tickets to the event(s) you select to sponsor. The following page will outline the program in more detail.

On behalf of the fair board, I would like to thank you in advance for your consideration and support of the county's most memorable traditions... The Columbia County Fair.

Sincerely,

### Paul A. Becker
